We cannot wait to see every Wildcat this August!!

Online registration will open for the 2021-2022 school year on Thursday, July 1. All returning students who will attend PCPS must be registered online annually through the PowerSchool Parent Portal to update district and state required information. The Parent Portal may be accessed through the PowerSchool link on the district website at www.pcps.us.

Registration must be completed on an iPad or a computer using a browser. Registration cannot be completed through the PowerSchool phone app.

Parents of students new to the district, or students who did not complete the 2020-2021 school year, will need to visit the Registration Center in person to register their student. Information about the process can be found on the district's website.

The Registration Center will open for in-person assistance July 19-29. Computers will be available during the summer registration window for parents/guardians who do not have access to a computer or need assistance. The center will be open Mondays and Wednesdays from 8 a.m. to 4 p.m. and Tuesdays and Thursdays from 10 a.m. to 6 p.m. It will be closed on Fridays.

Parents of returning students can register their children completely online. West, East and Po-Hi course selection in the spring does not register your student for the upcoming school year. Secondary students will not be permitted to pick up schedules until the registration process is complete.

Address verification for elementary students and shot records may be emailed to registration@pcps.us.

For additional information, contact the Registration Center at [580-718-3834](tel:580-718-3834).
